

**SANTA ANA UNIFIED SCHOOL DISTRICT  
GOVERNING BOARD MEMBER**

**ROB RICHARDSON**

**AGE: 43**

**OCCUPATION:** Board Member, Santa Ana Unified  
School District

With the support of teachers, parents and taxpayers, Santa Ana schools are back on the right track to education success. 18 short months ago you selected me to serve on the SAUSD Board. Since that time we have made great strides.

Schools are finally being built.

Educational Standards have been restored.

Managers have been reassigned or removed, resulting in management improvement.

The School District budget is balanced and finances are solid.

I remain committed to educational excellence and academic achievement.

I graduated from Santa Ana High and UCLA. I served as School Board President in 1987-89 and on the City Council and Planning Commission. I am a 15 year Board Member and Past President of the Boys and Girls Club of Santa Ana and am past President of the Santa Ana Kiwanis Club.

I am proudly endorsed by the Santa Ana Firefighters Association, Santa Ana Police Officers Association, Mayor Miguel Pulido and the entire Santa Ana City Council. They know me and my qualifications.

My platform remains:

English proficiency is our top priority.

Partner with the City and neighborhoods to build schools where they are needed.

Raise Academic Standards in science and math.

Direct District finances to the classroom.

Ensure safe schools.
